**MOTION TO ACCEPT COMMENTS OF
THE AD HOC TELECOMMUNICATIONS USERS COMMITTEE**

The Ad Hoc Telecommunications Users Committee (“Ad Hoc”) respectfully moves the Commission to accept the attached Comments of the Ad Hoc Telecommunications Users Committee (“Comments”) for late filing in two of the four above-captioned dockets (WC Docket No. 16-143 and WC Docket No. 15-247). An identical version of the Comments (other than for caption and date) was timely filed on June 28, 2016 in the other two captioned dockets (WC Docket No. 05-25 and RM-10593).

Good cause exists for the acceptance of this late filing. The May 2, 2016, *Tariff Investigation Order And Further Notice Of Proposed Rulemaking*, FCC 16-54 (“FNPRM”) in this proceeding established June 28, 2016, as the filing date for

comments in the Commission's special access rulemaking in WC Docket No. 05-25 and RM 10593. The FNPRM also added a new docket (WC Docket No. 16-143) to this proceeding and consolidated the tariff investigation in WC Docket No. 15-247. Through an inadvertent word-processing error, the caption on the Comments contained only WC Docket No. 05-25 and RM-10593. Accordingly, though timely filed, the Comments were inadvertently filed in only those two dockets. This Motion asks leave to correct that inadvertent error by incorporating the Comments into the other two dockets.

No prejudice will result to any party from the acceptance of the Comments in the other two dockets since all interested parties have had notice of and access to the Comments because of their timely filing in the first two dockets.

For the above reasons, Ad Hoc respectfully requests that the Commission accept the Comments for filing in WC Docket No. 16-143 and WC Docket No. 15-247.

Respectfully submitted,

**AD HOC TELECOMMUNICATIONS
USERS COMMITTEE**
